CYPHER

16ga - 28" barrel

General Description: The Cypher model features a solid frame for durability and strength. Top tang barrel selector and safety. Steel mono-block barrel construction and Turkish Walnut Stock & Forearm, featuring a fiber optic sight. Comes with 5 extended color/color-coded choke tubes (SK, IC, M, IM, F), choke box and choke wrench. The Cypher is offered in all five gauges and backed with TriStar's five-year mechanical warranty.

Features:

- Auto Ejectors
- Deluxe Oil Finished Turkish Walnut
- Fiber Optic Sight
- 2 3/4" Chamber
- 5 Extended/Color Coded Chokes (SK, IC, M, IM, F)

Safety: The primary safety is located on the top tang. When engaged, the safety is designed to block the trigger, hammer lever and the hammer which makes the firing mechanism immobile. The safety slides forward and backward (back is safe). Moving the selector left or right will select which barrel will fire first.

Item No.: 33162
