PROTÉGÉ X SUB COMPACT

9mm - 3.2" barrel

General Description: The TriStar Protégé X gives 1911 fans a sub-compact format for comfortable carry, with 7+1 rounds of 9mm in a sleek package. The traditional grip safety has been omitted for simpler handling. Ambidextrous safety levers, snag free design, and broad slide serrations add to the ease of running this handgun that you can discreetly take with you.

Features:

- Front & Rear Sights
- Ambidextrous Safety
- Slide Serrations for Ease of Racking
- Sub Compact Design
- Cerakote Finish
- Includes two magazines (7 rd)
- FDE

Item No.: 85708
